MEMORANDUM FOR: Project Director of Administration

SUBJECT : Customs and Immigration Coverage of Detachment A  
Deployment

REFERENCE : [Redacted] dated 26 March 1956, subject same as

25X1

1. The project need for a review of personnel and material in connection with overseas deployment by Customs and IAMS officials has been reviewed with senior Security officials. In line with past experience, this requirement can be handled without a great deal of difficulty. It is being explored by an Office of Security representative who has a great deal of liaison responsibility with these two government services. It is virtually assured that any necessary support, including presence of officials, will be obtained. In connection with this, there is also the possibility that such coverage may be waived in view of the military aspect of our deployment.

2. I will keep you advised regarding this matter, and should be in a position to give you firm information within the next few days.
